EVOLVE CAPITAL PLC

TRADING ON PLUS MARKETS

Evolve Capital plc (the "Company") is pleased to announce that its ordinary shares will be admitted to trading on PLUS Markets today (under the same trading symbol as on AIM: EVOL). The Company's principal trading facility will continue to be AIM.

PLUS Markets is an independent London-based equity market, provided by PLUS Markets Group plc, which was recently approved as a Recognised Investment Exchange. PLUS Markets is based on a quote-driven trading system and currently trades full coverage of all London-listed shares including the [FTSE 100](#) and unlisted shares quoted on the AIM and PLUS markets.

The Company's ordinary shares will continue to be quoted and traded on AIM.

Trading through PLUS is intended to enhance investor choice, improve liquidity for shareholders and provide greater access to investors, and is of particular relevance for the Company given that it has been established to invest in companies which are quoted on, or intend to join, the PLUS-quoted market.
